

MARINTEC INNOVATION 2020

CONFERENCE | WEBINAR | VIRTUAL EXPO

THE FOURTH INDUSTRIAL REVOLUTION AT SEA

MARINTEC INNOVATION CONFERENCE

3 DECEMBER 2020 | SHANGHAI

2017 Marintec Innovation

Launched in 2017, Marintec Innovation Conference is an extension of Marintec China, focusing on the pressing issues of the maritime industry. Following "Cruise Shipbuilding" in 2017, "International Marine Intelligent Energy Efficiency Technology" in 2018, and "Marintec Interiors" in 2019, in 2020, the conference theme will be "The Fourth Industrial Revolution at The Sea". A one-day conference which will be taking place at the Shanghai Renaissance Zhongshan Park Hotel on 3 December 2020. The conference is expecting to welcome over 100 delegates across China.

Register now to join the Webinar Chapter Four on 15 October and Live Conference on 3 December via Marintec Innovation Virtual Expo!

MARINTEC INNOVATION WEBINAR

Marintec Innovation Webinar Series spun out in June 2020, is based on Dr Martin Stopford's, President of Clarkson's white paper on "Coronavirus, Climate Change & Smart Shipping", the series covered "Autonomous Ships Overview", "Zero Carbon Emission" and "Advance Digital Systems" in June, August and September 2020, the three chapters together attracted over 1,000 delegates from across the globe. The finale in December Marintec Innovation Conference will put the spotlight on the importance in the I4 demand and with the shared mandate, drive the maritime industry to the environmental agenda.
