Why exhibit at **Posidonia** in 2022?

Posidonia, the international shipping exhibition, has long been established as one of the major events of the shipping industry. Every two years Posidonia brings together, in an exciting and unique way, the international maritime community, welcomed by Greek shipowners controlling the world's largest merchant fleet.

Our **Team Norway Pavilion** has a **new and excellent location** in Hall 3, marked with red on the hall map to the right.

The pavilion will be branded under the official **Norway-profile** highlighting our companies' connection to each other and to Norway. This **strengthens our brands** and **create synergies**.

In addition, we provide **room for individual profiling** of each stand, which can be coordinated with our stand contractor.
