## Why exhibit at **Sea Japan 2022?**

Join Team Norway at Sea Japan to showcase your products, meet new customers and network with Japanese key players at the biggest maritime event in Japan.

The pavilion will be a joint **Team Norway and Denmark pavilion**, and we will share a common lounge area with them.

It has an excellent location close to the main entrance of East Hall 5 - as shown marked with red on the hall map to the right.

The Norwegian part of the pavilion will be branded under the official Norway-profile.

In addition, we provide room for individual profiling of each stand, which can be coordinated with our stand contractor.
