Why exhibit at **Nor-Shipping 2023**?

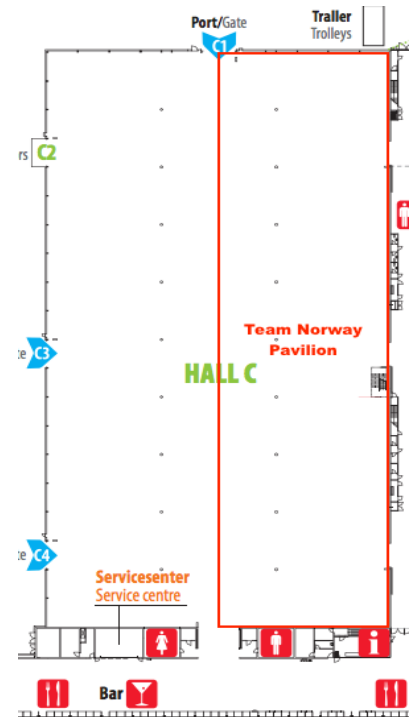

Following the great success of Nor-Shipping in April 2022, the clock is already ticking for the next edition of the trade fair.

The registration for exhibiting in the **Team Norway Pavilion** at Nor-Shipping 6-9 June 2023 is now open.

The pavilion will have the same excellent location in Hall C as shown on the hall map to the right.

It has long been our experience that the Norwegian pavilions attracts many visitors at the various trade fairs, and this was finally verified at Nor-Shipping 2022. Thermal cameras were then used in the halls showing the activity levels during the week. The report showed that the Team Norway pavilion had very high activity every day. This proves that being an exhibitor in our pavilion increases visibility and creates synergies.

At the 2022 event, there were over 21,000 unique visits to the exhibition halls with 83 nationalities represented. Make sure you don't miss out on the chance to connect with these influential visitors, and a world of opportunity!
