Why exhibit at **SEA ASIA 2023**?

Sea Asia is the leading maritime forum in Southeast Asia. In 2019, close to 15,000 international visitors and 440 exhibitors occupied 9,088 sqm exhibition space. If you are in the maritime industry and aim to grow your business, you certainly cannot afford to miss riding on Asia's wave!

The pavilion will this time be shared with members of the Danish Export Association. We will have a common lounge area serving lunch to our exhibitors every day. In addition, Innovation Norway's Singapore office will provide operational assistance with the pavilion.

The Team Norway and Denmark pavilion have an excellent location next to Singapore's own pavilion - as shown on the hall map to the right.

The Norwegian part of the pavilion will be branded under the official Norway-profile. This strengthens our brands and create synergies.
