Apply for grants to participate in trade fairs

SMM 2024 has been preapproved under the Norwegian government's export support scheme. This means that companies exhibiting in our Team Norway pavilion can apply to have up to 50% of their costs covered, at a maximum NOK 70.000.-. Remember that you must apply before you have incurred expenses on the stand at the fair. See Innovation Norway's website for the scheme for more detailed information and a link to the application form (Norwegian only) here:

Why exhibit at SMM 2024?

When it comes to meeting up with all the leading stakeholders of the global maritime industry, there's no place like SMM. It's here where the key players of the various sectors discuss and introduce solutions that define benchmarks for the age of Green and Smart Shipping. In addition, a comprehensive programme of workshops and conferences support the event.

The **Team Norway Pavilion** have an excellent location close to the main entrance in B7- see the hall map to the right.

The pavilion will be branded under the official Norway-profile highlighting our companies' connection to each other and to Norway. This strengthens our brands and create synergies.

In addition, we provide room for individual profiling of each stand, which can be coordinated with our stand contractor.
