Why exhibit at Marintec China in 2023?

Marintec China is Asia's leading event for the global maritime industry. Under the theme **"Rebuild together"**, the focus is on new industry trends, new technologies and products, as well as business opportunities in the aftermath of Covid.

For over 40 years, Marintec China has been the bridge between China and the international maritime community, providing an expansive, multi-channel opportunity for the maritime community to meet and do business.

The **Team Norway pavilion** has **an excellent location** close to the main entrance in Hall N1 as shown on the hall map to the right.

The pavilion will be branded under the official **Norway-profile** highlighting our companies' connection to each other and to Norway. This **strengthens our brands** and **create synergies**.

In addition, we provide **room for individual profiling** of each company stand, which can be coordinated with our stand contractor.
