Why exhibit at Sea Japan 2024?

Join Team Norway at Sea Japan to showcase your products, meet new customers and network with Japanese key players at the biggest maritime event in Japan.

The Team Norway pavilion has an excellent location by the entrance to East Hall 2 where the Japan pavilion and several other national pavilions are located. See location marked in dark red in the hall map below. The pavilion will be branded under the official Norway-profile. In addition, we provide room for individual profiling of each stand, which can be coordinated with our stand contractor.
