## Apply for grants to participate in trade fairs

As soon as Nor-Shipping has been pre-approved under the Norwegian government's export support scheme we will send out information. Under this scheme, companies exhibiting in our Team Norway pavilion can apply to have up to 50% of their costs covered, at a maximum NOK 70.000.-. Remember that you must apply before you have incurred expenses on the stand at the fair. See Innovation Norway's website for the scheme for more detailed information and a link to the application form (in Norwegian only) here: [Export promotion - grant to participate in trade fairs](#)

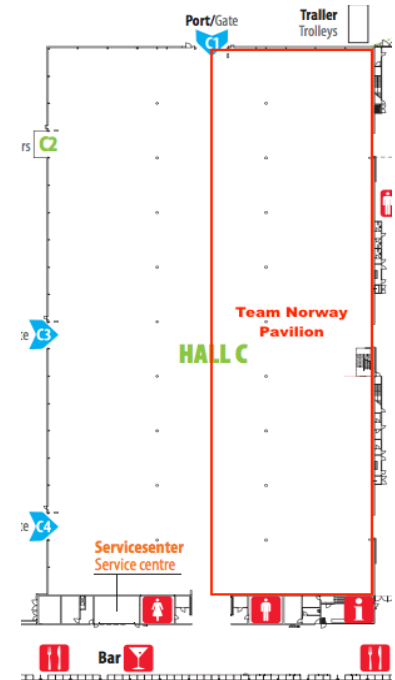

## Why exhibit at Nor-Shipping?

Following the great success of Nor-Shipping in June 2023, the clock is already ticking for the next edition in June 2025. The registration for exhibiting in the **Team Norway Pavilion** at Nor-Shipping 2-6 June 2025 is now open.

The pavilion will have the same excellent location in Hall C as shown on the hall map to the right.

It has long been our experience that the Norwegian pavilions attracts many visitors at the various trade fairs, and this was finally verified at Nor-Shipping 2022. Thermal cameras were then used in the halls showing the activity levels during the week. The report showed that the Team Norway pavilion had very high activity every day. This proves that being an exhibitor in our pavilion increases visibility and creates synergies.

At the 2023 event, the total number of visits were 51 948, 30 017 visits at the fair, the visitors represented 84 countries and the exhibitors represented 42 countries. Make sure you don't miss out on the chance to connect with these influential visitors, and a world of opportunity!
