Why exhibit at Posidonia in 2026?

Posidonia, the international maritime exhibition, has long been recognized as a significant event in the shipping industry. Held bi-annually, Posidonia brings together maritime key players in an exciting and unique way. The international maritime community is welcomed by Greek shipowners controlling the world's largest merchant fleet.

The **Team Norway Pavilion** is located in Hall 3. The pavilion will be branded under the official Norway-profile for brand recognition and synergies

Additionally, there is room for individual profiling of each stand, which can be coordinated with our stand contractor.

Apply for grants for participation at trade fairs
Posidonia 2026 has been preapproved under the Norwegian government's export support scheme. This means that companies exhibiting in our Team Norway pavilion can apply to have up to 50% of their costs covered, at a maximum of NO 70.000. Remember that you must apply before you have incurred expenses on the stand at the fair.

See Innovation Norway's website for the scheme for more detailed information and link to the application form (Norwegian only) here: [Export promotion grant](#)
