Why exhibit at Sea Japan in 2026?

Join Team Norway at Sea Japan to showcase your products, meet new customers and network with Japanese key players at the largest international maritime event in Japan.

The **Team Norway pavilion** has an excellent location in the same hall as the Japan pavilion and several other national pavilions are located. We will have a joint lounge area with the neighbouring Danish pavilion.

The pavilion will feature the official Norway profile. Additionally, there will be space for individual profiling of each stand, which can be coordinated with our stand contractor.

Apply for grants for participation at trade fairs
Sea Japan has been preapproved under the Norwegian government's export support scheme. This means that companies exhibiting in our Team Norway pavilion can apply to have up to 50% of their costs covered, at a maximum of NOK 70.000. Remember that you must apply before you have incurred expenses on your stand at the fair. See Innovation Norway's website for the scheme for more detailed information and link to the application form (Norwegian only) here: [Export promotion grant](#)
